FINANCIAL PLANNING SERVICES

PlanPrep creates tailored financial reports and strategies for your unique financial situation based on your life goals and resources. We provide analyses with plain English summaries and specific action steps to help guide you toward your specific financial objectives.

Analyses are performed using PlanPrep's unique questionnaire and your confidential data. We use eMoneyAdvisor and Microsoft Excel to run calculations, and eMoneyAdvisor to provide you access to your financial plans and vault. Techniques may include net worth analysis, cash reserve analysis, cash flow planning, cash management, education and retirement planning, business and estate planning, legacy and charitable planning, as well as disability, life and long-term care planning, income tax planning, investment planning, and more as requested.

Potential Conflicts of Interest

Please note that PlanPrep LLC and Burt Williamson provide financial planning services and may receive compensation in addition to any financial planning fee you may pay. This may include managing your investments, helping you buy life and long term care insurance, and purchasing fixed annuities. The platform fee is an asset-based fee charged as a percentage of assets in your account. Clients utilizing our service may pay a higher aggregate fee than if the investment management, brokerage and other platform services were to be purchased separately.

A conflict may exist between our interests and yours.

- You are not under any obligation to act upon any of our recommendations, and
- If you elect to act on any of the recommendations, you are under no obligation to perform any transactions through us.

INVESTMENT MANAGEMENT SERVICES

The nature and scope of the investment advisory services that PlanPrep may provide to the Client are:

- The assets in the account shall be held for safekeeping at our Custodian, Pershing LLC. PlanPrep shall not act as Custodian for the assets in the account and shall not be liable to the Client for any act, conduct or omission by the selected Custodian. PlanPrep provides investment management services to individuals and firms on a non-discretionary basis. Our advice is based on the results of either your financial plan or investment selections we make together.
- The Client will be consulted prior to a recommended sale or purchase of any or all of the securities contained in the client's account held with Shareholders Service Group. PlanPrep does not manage securities on a discretionary basis or have limited power of attorney over any of the Client's accounts. PlanPrep does not vote on any Client proxies.
- PlanPrep currently does not manage any client money.
- PlanPrep no longer engages Betterment for Advisors to manage any client accounts.

Item 5: Fees and Compensation

Financial Planning Fees

The fee is based on the complexity of your personal financial situation and the size and complexity of your asset mix. These fees may be negotiated before an agreement is signed. PlanPrep fees may be lower or waived in the future depending on the amount of investment management fees we collect. Financial planning services are provided at no additional charge after a household with total investable assets of \$500,000 or more has had those funds under management by PlanPrep for 12 months or longer.

| <u>Value of Assets</u> | <u>Planning Fee Range</u> |
|---------------------------------|---------------------------|
| Up to \$3,500,000..... | \$0 to \$2,500 |
| \$3,500,001 to \$7,000,000..... | \$1,500 to \$5,000 |
| \$7,000,000+ | \$2,500+ |

Alternative Hourly Fee

PlanPrep will provide consultative services on an hourly basis at the rate of \$200 an hour in one or more areas. The fee is billable in 15 minute increments with a one hour minimum. Consulting services are available for situations that may not require a financial plan or after a plan has been completed for additional advice.

Refund Policy for Financial Planning Fees Charged in Advance

The Client may receive a refund for fees charged in advance prior to any work beginning. Once PlanPrep has started analyzing data and delivered any feedback to the Client, the Client would be entitled to a refund of 50% of the fee if they choose to terminate the relationship. Once reports are delivered to the Client, no further refund is available.

Investment Management Fees

PlanPrep provides investment management for a fee of assets under management. The annual investment management fee is prorated and billed on a quarterly basis.

The annual investment management fee is billed on a quarterly basis in arrears. It is based on the average daily account balance for the preceding quarter if investing on the Betterment platform, or after trades have settled from the preceding quarter or the first business day of the next quarter, whichever is later, for accounts are held through Shareholders Service Group.

The fee is prorated for the days in the quarter for which the funds were in your account if less than the entire quarter. The Custodian deducts the fee directly from each of your account(s) under PlanPrep's management pursuant to any applicable custody rules based on the following schedule:

| <u>Household Aggregate</u> | <u>Annual % Fee</u> |
|----------------------------------|---------------------|
| Up to \$500,000 | 1.00% |
| \$500,000 to \$1,000,000 | 0.95% |
| \$1,000,000 to \$3,000,000 | 0.80% |
| \$3,000,000 to \$5,000,000 | 0.65% |
| \$5,000,000 plus..... | 0.50% |

Any fees charges by the custodian may be itemized separately, but are part of the all-inclusive fee paid by the Client. PlanPrep's fees can never exceed 3%. Please note that mutual funds have their own internal expenses that are not included in the stated fees above. Those expenses are outlined in the prospectus for each fund and would be charged at the fund level.

Discontinuation of Financial Planning or Investment Management Engagement

Prior to the delivery of any advice to you, the respective agreement may be terminated upon written notice by either party to the other or upon the death of either party. Upon termination, PlanPrep shall be under no obligation to deliver advice to the former client. This Agreement will terminate (and no refund will be available) upon receipt of any PlanPrep advice (verbally or written) or management provided to you or after five business days have passed from the date of the initial engagement.
